Completed courses not reflecting completions

2018-06-21 - Steve Webster - in General

We have some reports of the Academy not recognizing course completions for users who have completed the material.

We are aware of this issue and are working to address this.

If you are experiencing this, please launch a helpdesk ticket letting us know exactly what course and your user email.

We will give you credit for this as soon as we are able.

We are sorry for the inconvenience. Thanks for your patience.
